# BEVERAGES

Served all day

Born from a shared love of great coffee, the Risen Blend is a collaboration between Risen and Blacksmith Coffee. Our coffee is specialty-grade Arabica from the mountains of Colombia, the highlands of Rwanda, and the volcanic slopes of Costa Rica, brought home to Dubai and roasted by hand for balance, depth and quiet character.

Tasting notes: milk chocolate, roasted almonds, dry fruits, dark fruits, medium body, medium acidity, long caramel aftertaste
